

CELEBRATING THE SPIRIT OF THE SEASON

Dear Friends and Neighbours;

Have we got some jolly news for you! Preparations have already begun for the **19th Annual SantaFest Parade in Vaughan** scheduled for **SUNDAY NOVEMBER 25th 2018**

Hard to believe that what started out as a neighbourhood gathering in Maple, has evolved into a premier community event full of excitement and anticipation. And it's all because of YOU! Without the commitment and continuing community support of our Sponsors, the SantaFest Volunteer Community Board could not successfully deliver this spectacular outdoor event! As a not-for-profit community group, we rely solely on business and community leaders such as yourselves who year after year drive this event to its premier position in our community.

We are proud to announce that we are continuing with the celebration of the ***SPIRIT OF THE SEASON***, with spectacular multicultural floats showcasing traditional sounds and sights of the holiday season, all parading down **International Way** along the parade route.

This will be in addition to our annual colourful floats, the various colour guards, the leading marching bands, the parade clowns, the decorated vehicles, all in anticipation of the arrival of Santa in his newly decorated float.

AND there's more! Continuing this year is **Santa's Block Party**: before the Parade, spectators will be encouraged to visit various locations along the route to enjoy some pre-parade family friendly fun!

The attached package outlines the incentives and rewards for the various levels of support. Thank you for showing your community spirit by helping us bring smiles, memories and the joy of the season to all!

Please contact us at: info@santafestinmaple.com or visit our website at www.santafestinmaple.com to learn more on how YOU can take a leading role in contributing to our success.

We look forward to counting on you as one of our many partners in this cherished community tradition.

Thank you for your consideration.
